CARTI FOUNDATION

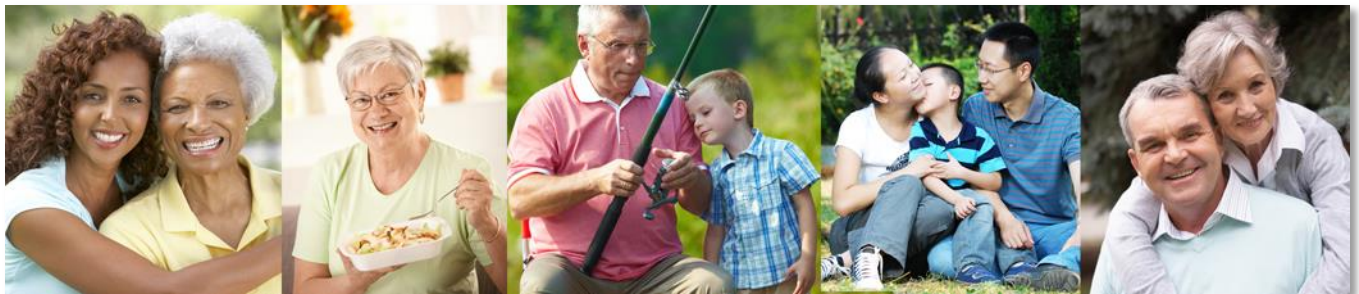

How does the CARTI Golf Classic help?

For more than 40 years, CARTI has been bringing the fight to cancer by delivering the world's most advanced forms of cancer care in a compassionate, patient-centered environment. CARTI offers state-of-the-art cancer treatment for more than 23,000 patients each year throughout Arkansas.

While providing the best treatment available, we also feel it is our duty to help remove the fear and uncertainty that can accompany any cancer diagnosis. At CARTI, we believe in not just treating cancer, but caring for the patient as a whole and their family. Our patient assistance programs provide a scope of services to help with the physical, emotional and financial well-being of each patient.

In its history, the CARTI Golf Classic has raised more than \$4.2 million. Your philanthropic support provides fuel vouchers and housing assistance to help low-income patient's access treatment, nutritional counseling and supplements, massage therapy, a full-service resource and appearance center, emotional counseling for patients and their families and educational seminars, and retreats for patients and caregivers.

As a CARTI Golf Classic & All That Jazz sponsor, your generosity enables us to maintain this level of quality patient-centered care and continue bringing the fight to cancer in Arkansas.
